

## COVID-19 Safety Precautions

1. TAKEOUT ONLY: Trunk Service/Outside Pickup/UberEats Outside Pickup
2. No entry whatsoever to premises for few employees needed to deliver our program. No exceptions.
3. No trips to grocery stores.
4. Food/products from distributors is delivered outside at front door.
5. Surfaces cleaned with sanitizer and/or bleach (1 bleach / 9 water):
  - a. All kitchen surface tops (hourly)
  - b. Kitchen handles, knobs, floors, walls (daily)
  - c. Kitchen pass and holding area (hourly)
  - d. Server station (hourly)
  - e. Small appliances (before use)
  - f. Phone, POS Tablet, pens, etc (multiple times per hour)
  - g. Front door handles (multiple times per hour)
6. Regular foodsafe dishwashing practices for utensils, cookware, bowls etc.
7. Employees have been limiting their outside exposures to bare essentials.
8. Employees are interviewed daily to ensure they are healthy and not exposed.
9. Mandatory social distancing amongst employees within the restaurant.
10. Floor mat with sanitizer/bleach at the entry way has been placed so that employees can step on the mat to clean the bottoms of footwear.
11. When putting food in trunks or on outside table, the server is using single use gloves and discarding directly after. This is followed up by either handwashing or hand sanitizing.
